

Laser Price Guide

Scars and Stretch Marks

Laser therapy is priced per pulse.

The number of pulses varies depending on the size of the area treated.

The maximum price is the upper limit one can expect to pay for pulses in that range.

No. of Pulses:	Estimated Area Size:	Maximum Price (R):
1 - 25	12cm	680
26 - 75	37cm	1120
76 - 150	75cm	1680
151 - 250	125cm	2540
251 - 500	250cm	4540
>500*	>250cm	>4550

*Areas larger than 500 pulses are not suitable for laser treatment of scars and stretch marks in one sitting.

Larger areas will be split over 2 or more appointments.

Recommended number of treatments for scars and/or stretch marks: Minimum 4 at 6 weekly intervals.

Individual results may vary.
