HELIOCARE

360°

Pediatrics Mineral

360° photoimmunoprotection with 100% mineral filters specially formulated for babies and children

**Full spectrum
(UVA • UVB SPF 50+ • HEVL • IR-A)**

**Skin barrier protection and
reinforcement**

**Excellent skin and
Eye tolerance**

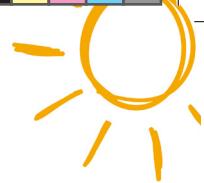

360° DERMATOLOGICAL PHOTOIMMUNOPROTECTION

INDICATIONS

- Protection of delicate skin of babies and children*
- Atopic and sensitive skin
- Suitable from 3 months*
- Face and Body

*Babies and young children should not be exposed to direct sun

HELIOCARE 360° Pediatrics Mineral

COMPOSITION

- Fernblock®+: powerful photoimmunoprotection activity
- 100% mineral filters: UVB (SPF50+) • UVA (PA +++, $\lambda c \geq 370\text{nm}$) protection
- Bioshield system (OTZ + Biomimetic Melanin): HEVL • IRA protection
- Genoprotect complex: prevents cellular damage
- Vitamins C&E: anti-oxidant activity
- Niacinamide 2%: protects and reinforces skin barrier
- Fragrance-free, paraben-free and alcohol-free

TECHNOLOGY

Genoprotect® Complex

Comprehensive DNA protection
Photolyase, glycosylase, endonuclease

Prevents cellular damage and strengthens skin's natural repair mechanisms

Fernblock® Photoimmunoprotection Technology

Unique standardised extract of *Polypodium leucotomos*

- Increases skin's resistance to sun
- Protects and repairs DNA damage
- Immunological defense: preserves Langerhans cells
- Anti-oxidant activity

GALENIC

- Ultra-fluid mineral emulsion
- Easy to apply and spread
- Velvet and silky touch
- No whitening effect
- Very water resistant (80 minutes)
- Sand resistant (protection doesn't rub off upon contact with sand)

CLINICALLY DEMONSTRATED TOLERABILITY*

- Eye tolerance
- Tested on atopic and sensitive skin of babies and children
- Tested under dermatological, pediatric and ophthalmological control

HOW TO USE

Use: Shake before using. Apply evenly and generously before sun exposure. Reapply frequently, especially after swimming or sweating.

Cautions: External use. Avoid direct contact with eyes and mucous membranes. Avoid sun exposure at peak hours, when sun is strongest. Wear protective clothing, a hat and sun glasses. Babies and young children should not be exposed to direct sun.

50ml

INCI Heliocare 360 Pediatrics Mineral: Aqua; C12-15 Alkyl Benzoate; Dimethicone; Isododecane; Titanium dioxide(nano); Zinc Oxide(nano); Butyloctyl Salicylate; Sodium Potassium Aluminum Silicate; Niacinamide; Alumina; Styrene/Acrylates Copolymer; Phenethyl Benzoate; PEG-9 Polydimethylsiloxethyl Dimethicone; Polypodium leucotomos Leaf Extract; Physalis angulata Extract; Melatonin; Plankton Extract; 3-O-Ethyl Ascorbic Acid; Octothiazolidine; Tocopheryl Acetate; Hydrogen Dimethicone; Phenylpropanol; Polyhydroxystearic Acid; Magnesium Sulfate; Dimethicone/PEG-10/Titanium Crosspolymer; Propylene Glycol; Caprylic/Glycol; Titanium Dioxide; Silica; Propanediol; Triethoxycaprylylsilane; Caprylic/Capric Triglyceride; Tocopherol; Butylene Glycol; Dipropylene Glycol; Sodium Citrate; Disodium Dimonium Hectorite; Propylene Carbonate; Lecithin; Phenoxyethanol; Sodium Benzoate.

* Evaluation of product tolerance during use. 21 babies and young children with atopic-prone skin and between 3 months and 3 years of age. Zurko, Madrid, 2018.
