# YOUR SOLUTION TO HYPERPIGMENTATION AND SUN SPOTS

NEW

## PREVENTION AND CORRECTION OF HYPERPIGMENTATION AND DARK SPOTS CAUSED BY SOLAR RADIATION

### PROVEN EFFICACY

Difference in overall pigmentation, after 90 days.

Daytime  
use

Before 0 days

After 90 days

100% of the volunteers observed some degree of improvement, are satisfied with the product & showed excellent tolerance\*

PREVENTS, CORRECTS & UNIFIES.

\*According to the clinical examination carried out by the dermatologist, no volunteers showed alterations after 90 days of continuous use of the product.

 HELIOCARE 360°

# HELIOCARE 360° PIGMENT SOLUTION FLUID

For skin with hyperpigmentation or skin prone to dark spots

## BENEFITS

- Very high broad-spectrum photoimmunoprotection (UVA • UVB • SPF50+ • HEVL • IRA)
- Helps to prevent and correct hyperpigmentation and oxidative damage
- Light and silky fluid that unifies skin tone and improves the appearance and texture of the skin
- Soothes and softens the epidermis

## KEY INGREDIENTS

- **Fernblock®+**: powerful photoimmunoprotection activity
- **Depigmenting System**  
**Niacinamide**: Inhibits the transfer of melanosomes to keratinocytes  
**Ellagic Acid**: reduces melanin synthesis
- **Combination of chemical and mineral filters**: UVB (SPF 50+), UVA (PA +++++,  $\lambda_c \geq 370$  nm), HEVL, IRA protection
- **Glycosylase**: DNA repair enzyme
- **Vitamin E**: anti-oxidant activity
- **Biopolymer Net (BN)**: anti-pollution complex creates a protective shield that prevents contaminants from penetrating the skin
- **Iron Oxide Pigment**: unifies skin tone and reduces sunspot formation

## TECHNOLOGY

**Fernblock®**  
Photoimmunoprotection Technology

Unique standardised extract of  
*Polypodium leucotomos*

- Increases skin's resistance to the sun
- Protects and repairs solar damage
- Immunological defense: preserves Langerhans cells
- Prevents and reduces hyperpigmentation
- Is an anti-oxidant and protects against photo-ageing

## FORMULATION

- Easy to apply, with a light, silky texture
- Fast absorption
- Silky and invisible finish
- Suitable for sensitive skin
- Hypoallergenic
- Non-comedogenic
- Excellent make-up base
- Tested under dermatological and ophthalmological control
- Eye tolerance
- 50 ml tube

UVB: Ultraviolet B; UVA: Ultraviolet A; HEVL: High Energy Visible Light; IRA: Infrared A

Heliocare 360° – sun protection, inside and out.
