Skin is less
dry/dehydrated

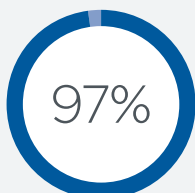

Skin feels softer,
more supple

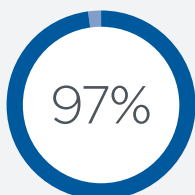

Skin is plumper,
texture is smoother

AFTER 6 WEEKS*

Skin looks radiant

Fine lines & wrinkles
are less visible

*Percentage of subjects noting an improvement with twice daily use. **Twice daily use.

This luxurious, lightweight gel cream delivers three different sizes of Hyaluronic Acid that penetrate into skin's surface to provide plumping hydration, smoothing the look of wrinkles. NeoGlucosamine delivers gentle exfoliation, reducing the look of age spots, promoting visible firming and leaving skin looking more luminous.

BENEFITS

- Boost hydration while plumping
- Smooths the look of wrinkles
- Reduces the look of age spots
- Promotes visible firming
- Delivers gentle exfoliation
- Formulated for all skin tones
- Non-comedogenic, fragrance-free.

KEY INGREDIENTS & ACTIONS

Hyaluronic Acid Complex

3 sizes of Hyaluronic Acid boost hydration while plumping and smoothing the look of wrinkles for a more volumised and luminous look.

4% NeoGlucosamine

Gently exfoliates to promote skin's natural turnover process, while also fading the appearance of discolouration for a more visibly uniform and luminous skin tone.

APPLICATION

Apply to face twice daily (AM/PM) following cleansing.

Can be followed with NEOSTRATA® Skin Active Repair Intensive Eye Therapy.

PRO TIP: Pair this luxurious, lightweight moisturiser with NEOSTRATA® Skin Active Repair Matrix Support SPF 30 in the daytime for a boost of hydration and protection.

VISIBLE IMPROVEMENT IN FINE LINES & WRINKLES

STUDY PROTOCOL: 31 subjects, 36 - 63 years old with presence of mild to mild-moderate fine lines or wrinkles. Subjects used NEOSTRATA® Hyaluronic Luminous Lift Gel Cream twice daily to the entire face. A facial sunscreen of SPF 55 was provided to use as needed.
